Independent Auditors' Report

To the Directors of
Film Training Manitoba Inc.

We have audited the accompanying financial statements of Film Training Manitoba Inc., which comprise the statement of financial position as at March 31, 2015, and the statements of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Film Training Manitoba Inc. as at March 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

NOTES TO THE FINANCIAL STATEMENTS MARCH 31, 2015

1. NATURE OF OPERATIONS

Film Training Manitoba Inc. (the Organization) undertakes activities relating to training in the film, video, and related industries. The Organization was incorporated as a not for profit entity without share capital under the Corporations Act of Manitoba and is a registered charity under the Income Tax Act.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations. The significant accounting policies used are detailed as follows:

(A) REVENUE RECOGNITION

The Organization follows the deferral method of accounting for contributions, which includes donations and government grants. Restricted contributions are recognized as revenue in the year in which the related expenditures are incurred. Unrestricted contributions are recognized as revenue when received or receivable when the amount to be received can be reasonably estimated and collection is reasonably assured. Registration fees are recognized when services have been performed and collection is reasonably assured.

(B) INTERNALLY RESTRICTED NET ASSETS

Internally restricted net assets represent an operating reserve fund for the Organization. This operating reserve is to be used to respond to extraordinary, unplanned costs and to provide a temporary source of financing for cash flow purposes when necessary. These internally restricted amounts are not available for other purposes without prior approval of the Board of Directors.

(C) EQUIPMENT

Equipment is recorded at cost. The Organization provides for amortization using the declining balance method at rates designed to amortize the cost of the equipment over its estimated useful life. The annual amortization rate is as follows:

Equipment	30%
-----------	-----

(D) ACCOUNTING ESTIMATES

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reported period. These estimates are reviewed periodically and are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

(E) FINANCIAL INSTRUMENTS

It is management's opinion that the Organization is not exposed to significant credit, currency, interest rate, liquidity or market risks arising from its financial instruments. (f) In-kind contributions and expenses In-kind contributions represent the value of volunteer services by the Board of Directors and members, by production companies for wages and expenses paid directly to trainees and trainers in excess of the amounts covered by the Organization and service by suppliers for discounted equipment costs for workshops. An equal in-kind expense is also recorded as these are incremental costs incurred in carrying out the programs.

No amount is outstanding on the line of credit as at year end (2014 - \$Nil).

8. COMMITMENTS

The Organization entered into a lease agreement for office space that was renewed during the year. The renewal agreement expires February 28, 2021, with annual minimum rent of \$39,000, \$42,000 effective March 1, 2016, \$45,000 effective March 1, 2018, and \$48,000 effective March 1, 2020. The Organization has sublet a portion of its office space to a third party for an annual recovery of 40% of lease payment.

The minimum lease payments for the next five years are as follows:

2016	\$ 39,769
2017	42,519
2018	42,769
2019	45,519
2020	45,337

9. TRANSFER

During the year, the Board of Directors approved a transfer of \$10,000 (2014 - \$Nil) from unrestricted to internally restricted net assets to be used for the purposes of an operating reserve.

10. COMPARATIVE FIGURES

The financial statements have been reclassified, where applicable, to conform to the presentation used in the current year. The changes do not affect prior year earnings.

11. ECONOMIC DEPENDENCE

The volume of financial activity undertaken by the Organization with its funding bodies is of sufficient magnitude that the discontinuance of funding would endanger the ability of the Organization to continue as a going concern.
